

Villard, MN January 25, 2010—Massman Automation Designs, LLC (Villard, MN) is pleased to announce the acquisition of Talon Manufacturing, Inc. which will operate under the new business entity of Talon Massman, LLC. Founded in 1994, Talon Manufacturing has been serving the microwave popcorn industry with automated packaging machinery. In addition, Talon Manufacturing provides pouch packaging to the broader food market. Says Jeff Bigger, president of Massman, “Talon Manufacturing’s dominance of the global microwave popcorn packaging machinery industry combined with Massman Automation Designs’ cartoning, case packing and end line solutions will enable Talon Massman, LLC to provide complete production line solutions to the microwave popcorn industry and other Talon Manufacturing pouch packaging customers. Talon Massman, LLC will remain committed to maintaining the excellent Talon Manufacturing technology and the support their customers have come to know.”

About Massman Automation Designs, LLC
